

# The TRI-C to CSU BUSINESS DEGREE PROGRAM

- Two degrees with a seamless transition
- Affordable
- First 2 plus 2 program for Tri-C AA Degree and CSU BBA Degree
- Take the guess out of course selections by following the detailed course maps for both Degree programs

- Program allows students to select 9 different business majors that lead to a BBA Degree
- Two sets of professional advising/counseling staff members to help students

- Allows students to enter the College of Business (COB) General Business Online Degree Completion Program
- Tri-C students can attend CSU COB career and employer network related events before starting their CSU course work

- Students are eligible to apply for the Ahuja Business Transfer Degree Completion Scholarship and Parker Hannifin Scholars Program once Tri-C AA requirements are completed and CSU Business Degree Program course work is started

- Students complete pre-MBA course work by completion of the Tri-C and COB program. If students want to pursue a CSU MBA after completing their BBA, the coursework is banked for 10 years

- Students benefit from engaged learning experiences delivered by award-winning faculty and esteemed researchers in the classroom; internships at Fortune 500 companies such as Cleveland Clinic, Progressive, Sherwin-Williams, KeyBank and others; numerable career building and networking opportunities

- Students can start the Tri-C program and not be sure of their CSU business major and not be behind regarding CSU COB program courses, because COB's program course work is all the same for the first two years at CSU and TRI-C

- Academic programs at the Monte Ahuja College of Business are accredited by the Association to Advance Collegiate Schools of Business International (AACSB). Less than 5% of business schools world-wide have earned AACSB
