Monte Ahuja College of Business

Monte Ahuja College of Business Scholarship Consent to Share Information Release Statement under the Family Educational Rights and Privacy Act (FERPA):

All Monte Ahuja College of Business undergraduate and graduate students who accept scholarship opportunities from the Monte Ahuja College of Business are asked to review our "scholarship consent information release statement" regarding the release of the scholarship applicant's confidential information to a scholarship donor(s).

This confidential information includes the following: student's name, intended major, academic standing, current GPA, possible graduation date, hometown and scholarship essay. Note: All the confidential information is listed on the original scholarship application completed by the scholarship applicant - you.

In addition, on rare occasions the Monte Ahuja College of Business may request to release publication of your name and photograph along with the scholarship award name and information related to scholarship requirements; however, you will be contacted to provide a photo if this request is needed.

You can reject this request if requested in the future. For example, six months after your scholarship has been applied to your CSU student account, if the College makes this request to publish your photo and name then you can simply reject this request.

In order to provide your scholarship donor(s) with the requested information about their scholarship recipients, we request that you respond to this request regarding the terms of the above Monte Ahuja College of Business Scholarship Consent to Share Information Release Statement, by selecting one of the below statements regarding your decision on this important matter.

Your answer has NO impact on your ability to earn a scholarship.
